

DOOR SPONSORSHIP

“DONATE A DOOR”
Help Open the Way to Home Ownership

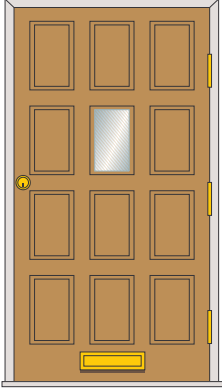

The Habitat For Humanity vision is to have *“a world where everyone has a safe and decent place to live”*. To fulfil its vision, Habitat brings volunteers and community partners together to build affordable family houses here on the Sunshine Coast.

Within the first 5 years of its existence on the Sunshine Coast, this young organization has completed one single family home and one duplex. It has now boldly purchased land with the dream of creating **Sunshine Coast Village**, a complex of 7 uniquely styled duplex units offering home ownership to 14 equally unique families.

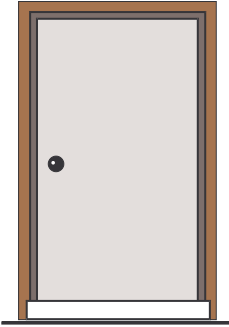

Making a donation to “sponsor a door” is a tangible way to help complete each new home.

Your name as sponsor will be mounted on a small metal plate on the inside edge of the door you sponsor.
